

Austrian Climate Research  
Programme – ACRP  
5<sup>th</sup> Call for proposals  
Guide for the submission of proposals

Notice of Amendment

Version  
August 2012

Due to the amendment of the § 8 UniAkkG, the following amendment to the "Guide for the submission of proposals – ACRP – 5<sup>th</sup> Call of proposal" in response to clause 5.1 (Eligible institutions and persons) is made:

The following Austrian research institutions are eligible for submitting proposals:

- Universities
- Non-university research institutions in the field of scientific research
- Universities of applied sciences
- **Private universities**
- Other science-oriented organisations
- Individual researchers from Austria

Project partners are not limited to Austrian research institutions and can include foreign researchers as well as businesses and other practitioners, as long as full publication of results is guaranteed.

All other clauses of the "Guide for the submission of proposals – ACRP – 5<sup>th</sup> Call of proposal" remain valid.
