## AUSTRIAN CLIMATE AND ENERGY FUND

COP24 Side Event – Austrian Pavilion (Pavilion E, Space 1)

### CLIMATE AND ENERGY MODEL REGIONS

Currently, 722 Austrian communities work in 91 Climate and Energy Model Regions on promoting solar, wind, hydro and bioenergy to be independent of fossil fuels. With the expansion of renewable energies and energy efficiency measures, they pave the way for the energy and mobility turnaround in Austria.

**10.30 – 11.15**

#### Opening

*Ingmar HöbARTH*

(CEO Austrian Climate and Energy Fund)

#### Austrian Funding Initiative For Climate And Energy Model Regions

*Christoph Wolfsegger*

(Austrian Climate and Energy Fund)

#### Showcase

*Alexander Simader*

(Climate and Energy Model Region "Unteres Traisental & Fladnitztal")
